

# The Planetary Data System and ITAR

**For PDS Management Council**

Ed Grayzeck

March 27, 2012

# Recent ITAR interactions

- Approach to establishing archiving policy w.r.t. ITAR
  - PDS Management is still working at HQ to draft an Archival Materials Policy & “data sharing” document
    - release of ITAR by the US State Department ([www.pmddtc.state.gov](http://www.pmddtc.state.gov)) still under HQ action
  - China situation
    - Wolf FY11 budget amendment
    - no bi-lateral interaction
    - no exemptions
    - FAQ by Max Bernstein at HQ
    - Pointing to data as link may be ok

# SBN specific questions

- SBN is archiving data from NEOsat  
Canadian Space Agency  
Query to NASA HQ  
no ITAR issues
- SBN archiving the DAWN Radio Science data  
No SIS description  
Question about Ion-drive engine data  
Query to NASA HQ (P Geisz)  
Need information as to why RS is ITAR?
